RE: PROCEDURE FOR OBTAINING PRCA MEMBERSHIP

Applicants desiring to obtain a Professional Rodeo Cowboys Association Announcer membership are required to complete the enclosed membership application which must be notarized and accompanied by the following to begin the membership process:

- A non-refundable \$500 evaluation fee
- List of at least five Non-PRCA sanctioned rodeos at which the applicant will be working
 - Please note, rodeos must have the standard PRCA events. Ranch rodeos, horse shows, bull ridings, etc. will not be accepted for evaluation locations.
 - No more than two of the same venues can be submitted as part of the five non-sanctioned rodeos.
- From the time the PRCA receives all the required information (notarized membership application, evaluation fee, and list of non-sanctioned rodeos), there should be a minimum of 10 days until the first rodeo for evaluation.

A prospective Announcer will be evaluated by the PRCA as consideration for PRCA Membership. Please include exact location, dates and times on the list of non-PRCA sanctioned events. Evaluations of applicants will be anonymous. Evaluation will not be conducted until all requirements above are met. Additional dates may be necessary based on availability of evaluators.

If all requirements are satisfied and the applicant is recommended for approval, the applicant will be approved for First-Year Announcer status. The First Year Card is \$460, which includes the mandatory PRCA Insurance. A PRCA First Year Announcer is expected to register and attend a PRCA Judging Seminar within their first year of membership (at the member's cost).

After completion of the Judging Seminar, the applicant will become a full Announcer after their first dues paying year. Annual dues for renewal of membership for an Announcer membership card must be submitted each year thereafter. Should you have further questions regarding this process, please do not hesitate to contact Megan Barton at the PRCA National Headquarters at 719.528.4768 or email mbarton@prorodeo.com.
